## COMUNIDAD CRISTIANA MARANATHA THE LEISNER FAMILY

### Family

Tricia is feeling much better physically and enjoying the encouragement of family. On the farm the kids run free, enjoying every aspect possible. Ezekiel celebrated his third birthday surrounded by many friends and family!

### Community

The CCM community holds strong with emphasis on the community outside the UCR since the students are on vacation. But they come back at the end of July in prep for classes to begin again in August when we will also receive a group from Maranatha Minnesota.

### Church

The fruit of focusing on raising up specific people to cover us in circumstances like traveling to the States is very evident. Abelardo, Leonela, David and Ester, and Emerita have come together so that Scott could travel with the family for three weeks.

**And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ  
Ephesians 3:9**

Undeniably God's fingerprints of love are present in our lives. We have been blessed with this time as a family to seek God's healing and strength together. Walking on the farm, visiting the lake, playing with cousins, visiting local churches for fellowship and VBS, and planning/celebrating Ezekiel's seventh birthday are only part of what God has used to reveal Himself in fellowship with family and Body of Christ around us. I (Scott) will leave for Costa Rica on July 26 while Tricia and the kids remain until September 2nd. Preparation for the new semester and receiving an evangelism team from Maranatha in Mpls, MN on August 3rd are necessary, and students are also returning to the campus house.

## Praise Reports & Prayer Requests

Tricia's health is much better after time to rest and take walks on the farm as she has energy. She enjoys encouraging others, and in Costa Rica she continued even as she endured pain and tiredness because she knew she was God's hands there. God is using this time to heal her both physically and emotionally. Please pray that supernaturally she will be encouraged by her family and children surrounding her day by day.

Praise the Lord for the Henderson family and the Body of Christ that have taken the time to come and encourage our family. Please pray that Scott can keep connected with Tricia and the kids even though they will be apart for an extended time.

Praise the Lord for Maranatha MN coming to support us in the start of the new semester in August. Please pray for God to bring salvation to students and that they will be willing to reach others on campus for Jesus!

Praise the Lord for the students living in the CCM community. Please pray that we can fill in the four remaining spaces as the new semester begins.

**Thank you for praying!**

## *Thank you for walking in faith with us!*

Healing takes time and faith. We are so thankful for this time together in NY. God is faithfully doing his work on our bodies, hearts and minds. He has used your prayers and encouragement to allow for us to trust Him and the people He is raising up in Costa Rica. We know that we can trust in God who is Unchangeable in the waves of the ocean of life. Your faith in God's hand over us and in us encourages me to return to Costa Rica and know that Tricia and kids are well taken care of by God and His Body in NY.

Thank you for praying for us, calling us, sending us cards, e-mails and visiting us. God has encouraged us through each act of caring poured out. Thank you so much for financially supporting us. We are still praying for \$300 in regular monthly support to reach our goal, BUT we have been overwhelmed as we see God supply our needs through special gifts given in precise moments.
